PAUL GAUGUIN

WELCOME ABOARD

The captain, officers, staff and crew look forward to welcoming you as our special guest onboard *Paul Gauguin*.

To assist your exploration of each port of call, we have prepared this comprehensive information book with carefully planned excursions that reveal the essence of each destination.

Our knowledgeable Travel Concierge Staff onboard can assist you in selecting tours best suited to your personal interest and abilities, or for the independently minded, assist in booking private tours.

We look forward to welcoming you aboard soon.

PRE-REQUESTING YOUR TOURS

How to pre-request your tours prior to boarding the ship:

ONLINE:

Tours may be pre-requested online up to 120 days prior to your sailing date (but not before).

Visit our website at www.TheRegentExperience.com/excursions for instructions and tour descriptions.

USING A FAX:

Alternately you will receive a booking form together with this shore excursion booklet and cruise documents. Complete the form and fax it to the number indicated at the top of the form.

In using the online Shore Excursion Request, you will receive an email acknowledgement of receipt listing your requested excursions and this is the recommended method. The fax system is unable to generate an acknowledgement of receipt. Please bring your faxed copy or email copy with you to the ship. Please note that neither automated system can respond to questions. Requests will be processed in the order received. Many tours are limited; but every effort will be made to accommodate your request. Actual confirmation and ticket distribution will take place onboard.

TOUR PRICING:

Tour pricing can be found on our website (120 days prior to sailing date) and also on the pre-request form included with documentation.

Please do not submit requests both online and via fax.

Regent
SEVEN SEAS CRUISES

TOUR SYMBOLS

To assist in your tour selection, please note the symbol indicated beside each tour description. These symbols represent the following:

SEATED SYMBOL

Although primarily sightseeing tours, these excursions do include walking for short distances over relatively level terrain. They also may include getting into/out of a helicopter or floatplane.

WALKING SYMBOL

Tours include walking at sites, or periods of sitting or standing.

HIKING SYMBOL

Tours with difficult or extensive walking and/or steps. Also tours of long duration which can become tiring.

ADVENTURE SYMBOL

For the adventurous – these are our most active tours, including biking, hiking, kayaking, horseback riding, river rafting, scuba, snorkeling, or tours which require you to be physically fit to be able to enjoy.

CONCIERGE CHOICE SYMBOL

This tour will provide guests with the exclusive opportunity to experience and explore areas considered to be more specialized or unique to this port of call. In some cases, the tour may be a light adventure and therefore more active. Please read the description carefully and make your request early to avoid disappointment.

WHEELCHAIR SYMBOL

This symbol indicates tours that can accommodate guests (with proper notice) who utilize a wheelchair and have limited mobility. Most tour operators require that wheelchairs be collapsible. Space restrictions may preclude transport of electric wheelchairs. Please notify The Travel Concierge onboard the ship so that arrangements may be made prior to your arrival in port. Unless a lift-equipped vehicle is available, guests will have to transfer.

WATER SYMBOL

Beach, snorkel and water-related tours.

- Wear your swimsuit under a cover-up, protect yourself from the sun and bring a towel from the ship.
- The sun can be strong, we recommend that you wear sunglasses, suntan lotion, a hat and long sleeve T-shirts if you are sensitive to the sun.
- Wear reef shoes or other closed-in shoes to protect yourself from coral and other sharp material in the water.
- We recommend bringing only waterproof cameras or disposable cameras as you may get wet even during the boat portion of the tour.

SPECIAL EVENT SYMBOL

Special event included for all guests with our compliments.

DIVING SYMBOL

For certified and Discover Scuba divers. Discover Scuba is for those who have never tried scuba diving previously. Certified divers will be required to show their certification card and proof that they have dived within the past two years. All guests participating in these activities must be in good physical condition and will be required to complete a liability release and medical statement.

CONCIERGE À LA CARTE

The Regent Travel ConciergeSM Tailor-Made Programs Ashore

While the shore excursions in this booklet represent the very best tours available, some of our guests may prefer a completely unique, private experience ashore.

Call The Regent Travel Concierge!

For the discriminating guest seeking the ultimate way to experience their voyage, The Travel Concierge is adding an entirely new dimension to exclusive, personalized cruise travel.

The Travel Concierge is available to assist any guest with a fully deposited booking.

For minor requests such as for a private car and guide, there's no need to call The Travel Concierge. Our staff on board can arrange everything for you.

As these are exclusive events, strict cancellation penalties apply and will be advised on confirmation of your program.

When calling please have your booking number available. The service charge is \$100 per port plus the cost of the tour.

Call 888-TOUR-321 (888-868-7321)

– OR –

954-776-6123

Ask for The Regent Travel Concierge Desk.

For general cruise related questions, please call reservations at 800-285-1835.

2009 AMBASSADORS OF THE ENVIRONMENT YOUTH PROGRAM

June 6 through August 22; December 19 and 28 sailings

The Ambassadors of the Environment Youth Program (AOTE) is a unique, ground-breaking program that introduces young travelers (ages 9 – 17) and their families to extraordinary natural wonders while demonstrating imaginative ways to build environmental sustainability into their lives back home. The program aims to give young participants direct, hands-on experiences and knowledge of marine and terrestrial eco-systems, while emphasizing the critical importance of conservation. Accompanying adults are encouraged to participate in complimentary onboard activities, as well as the shore excursions for a fee.

Hosts: The AOTE program on the *Paul Gauguin* was created through an exclusive partnership with the renowned environmentalist, film producer and educator **Jean-Michel Cousteau**, and his experienced team from **Ocean Futures Society** (OFS). Hosts for the program are OFS naturalists, with college degrees in the natural sciences, who will share their broad knowledge of the natural world through experiments, nature-watch sessions, art activities, lectures, and games on board the ship, and also by serving as wildlife interpreters during the shore excursions. Ocean Futures Society is a non-profit organization. Please visit www.oceanfutures.org for more information on the Society.

On board: As cruising in Tahiti is a dynamic experience, program times and activities are flexible and subject to change. However, at the beginning of the sailing, your hosts will distribute a schedule of onboard activities designed to take advantage of sites and natural wonders you will see from the open decks. Upon embarkation, OFS naturalists will await your arrival at the reception/The Regent Travel Concierge area.

To begin the adventure, AOTE participants will have a welcome “meet and greet,” where you will meet other youths taking part in the program. Throughout the sailing, you will explore environmental topics and, to bring the message of sustainability home, how we may all attempt to live more sustainably on our fragile and complex planet. Other onboard activities include tours of the galley and bridge – activities that show Regent’s efforts to be more environmentally friendly through the ship’s operations.

On shore: Throughout the sailing, young guests will participate in a number of included shore excursions. These excursions may include Eco-tours, snorkeling safaris, stingray ballets, hiking trails, cycling, and much more. An OFS naturalist will accompany each excursion, explaining details of the marine and terrestrial eco-systems visited. All shore excursions are included for the children, and adults may add these excursions for a fee based upon availability.

To register a young guest for this program, please contact your travel agent or Regent Reservations. Exact shore excursions desired (for both adults and youths) can be pre-requested by faxing in a 2009 AOTE booking form closer to the date of sailing. The booking form will be available online and in cruise documentation.

Cost: \$249 per child

This program must be pre-purchased and is not included in the regular tour program. Contact your travel consultant or RSSC Reservations at 800-285-1835 to purchase. You may also check upon embarkation to see if space is still available on this limited, exclusive program. A 100% cancellation penalty applies to programs cancelled within 90 days of departure.

COMMONLY ASKED QUESTIONS

Which tours should I take?

There is a wide range of tours to suit varied interests. You should carefully review the tour descriptions to determine which tours are of most interest to you and meet your own desired level of activity. During your cruise there will be a port talk given by the Travel Concierge Manager, and replayed on the television in your suite. These presentations cover the most up-to-date information on our ports and tours. The *la Orana* daily program will advise you of all port talks and Travel Concierge Desk hours.

May I take more than one tour in a single port of call?

Yes. If you desire to take multiple tours in a single day, indicate your choices on the booking form. The Travel Concierge Staff will allocate best departure times to allow for participation and will provide a minimum of 30 minutes between scheduled return time to next tour departure time. You should indicate your preference of order of tours. Many tours have limited capacity or have several departure times throughout the day.

PLEASE NOTE: There might not be time enough to go back to the ship in between tours, therefore missing regular lunch hours. Also keep in mind that tour duration does not take into consideration the tender operation. Depending on the tours, two tours a day may make you feel rushed.

How will I know if a tour is sold out?

Reservations are booked in the order received. If your chosen tour is not available, your name will be added to a waitlist, and you will receive a notice along with your tour tickets. You should contact the Travel Concierge Desk immediately if you do not receive your tickets, or cannot make the departure time booked. Due to transportation limitations or other ships in port many tours have limited space available. The Travel Concierge Staff can assist you with alternative tour selections should your first choice not be available.

How do I pay for my tours?

Tours will be billed to your shipboard account. Advance payment is neither required nor accepted.

Can I cancel a tour I have purchased?

Tickets for tours you wish to cancel should be returned to the Travel Concierge Desk prior to the closing deadline. The closing deadline is listed on the booking form published on board. Tours and private arrangements are subject to a full cancellation charge if canceled after the closing deadline. Unused tour tickets are non-refundable.

Should I tip the tour guide?

While all gratuities are included onboard, gratuities for services rendered ashore on an organized tour are a personal matter and left to your discretion.

Are there age restrictions on tours?

Unless stated in the note section of the tours, there is no minimum age for children accompanied by a parent or guardian. Unaccompanied children must be at least 18 years of age. Children's prices are available on certain tours.

Will I miss the ship if I go on tours?

One very important feature of taking an excursion organized by RSSC is that we closely monitor the departures and returns of all of our tours. Therefore, you can be assured that you will not miss the ship. Please keep in mind that when you make your own arrangements in port, or leave an organized tour, we will no longer be aware of your whereabouts; so be sure to schedule ample time to return to the ship before it sails.

Will I miss meals if I go on tours?

When the ship is in port, meal times are adjusted to best accommodate the departure and return times of the excursions. Certain tour departures may conflict with scheduled meal times. However, room service is available.

Will tours be cancelled if the weather is bad?

All tours are subject to cancellation dependent upon weather conditions. The local tour operators closely monitor the weather and excursions are subject to cancellation if conditions do not meet all safety standards. Full refunds will be given in the event of the tour operator canceling a departure due to weather.

Do tours operate in wet weather?

In as much as we all prefer to tour in the finest of weather, wet weather may be experienced in French Polynesia. Tours do operate

in wet weather, and tickets are non-refundable if voluntarily returned by guests or for non-participation. A full refund of tour tickets is only given if the tour operator deems it necessary to cancel a tour due to conditions not meeting all safety standards.

Do other factors affect tour operation?

RSSC reserves the right to withdraw any tour; to limit the participation in any tour; or to make alterations in the operation of any tour which they may deem advisable for the safety or convenience of guests. For more information on the terms and conditions of the tour program, please refer to the Terms and Conditions section at the back of this book.

Is snorkeling equipment included on snorkeling tours?

No. You should collect your complimentary snorkel equipment (mask, snorkel, snorkeling vest, full foot fins, snorkeling bag) from *Paul Gauguin's* marina prior the tour or you are welcome to bring your own. Operators may have a limited number of masks and snorkels available, but generally do not provide fins.

Is diving equipment included on scuba diving tours?

Yes, all necessary equipment is provided: tanks, mask, snorkel, full foot fins, wet suit (shorty), BCD, regulator, pressure gauge, dive computer, weights.

Can I snorkel without going on a tour?

Yes, complimentary snorkeling is available from our private beaches. The *la Orana* daily program will advise you of the beach tender schedule. Remember to collect your complimentary snorkeling gear from *Paul Gauguin's* marina prior to going to the beach.

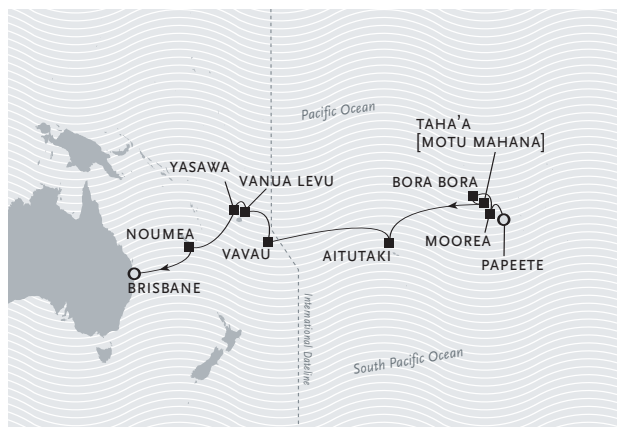

If I have never snorkeled, can I participate in a snorkeling tour?

You should carefully review the tour descriptions as some of the snorkeling trips are suitable to guests with less experience while others are for proficient swimmers who are comfortable in deep water. If unsure of your snorkeling skills, please discuss with the Travel Concierge Staff on board.

Seat assignment on helicopter tours:

Please note that seating assignment is made as per weight and balance, which is determined by the ground operator. Helicopters are not air-conditioned.
