

- All persons entering the UK are required to perform a self-administered PCR test no later than 2 days after arrival in to the UK (day of arrival is day zero).
- The mandatory Passenger Locator Form (PLF) which is completed by each individual prior to entry in to the UK requires proof of the purchase of a Day 2 test before arrival in the UK.
- Purchasing a Day 2 test generates a **“test package booking reference #”** which is entered in section 2 of the UK PLF.

Testing after you arrive in the UK

You must [book a coronavirus \(COVID-19\) test package](#) for when you arrive in the UK.

- If you have only been in green list countries, you must book a day 2 test.
- If you have been in or travelled through an amber list country or island you must book tests for day 2 and day 8, **unless** you meet the [vaccine eligibility criteria](#).

Find out more about [testing requirements and how they apply to different countries here](#).

There may be another specific reason why you are exempt from testing or have bespoke testing arrangements. You can check if you are [exempt from having to book coronavirus test for when you arrive in the UK](#).

Are you required to book a COVID-19 test package for when you arrive in the UK?

☒ Yes ☐ No, I am exempt

Your test package booking reference

- Regent Seven Seas Cruises guests may arrange their own Day 2 PCR test independently, or alternatively may register for a complimentary Day 2 test with Eurofins which is paid for by Regent Seven Seas Cruises.
- Guests wishing to use the services of Eurofins should follow the below steps in order to complete registration with Eurofins and receive the “test package booking reference #” to be used for the UK PLF.
- You may register with Eurofins either by scanning the QR code displayed on the right or by visiting <https://ects.recova-19.com>.
- **Your Eurofins Day 2 test will be administered on the day of embarkation** at the same time as the antigen test which is required to board the vessel.

- After visiting **ects.recova-19.com**, start your registration by clicking “Register Now.”
- **It is essential that you remember to bring with you the email address and password used to register with Eurofins.** You will be asked to provide the email address and password when you arrive at the pier to access the Eurofins account to activate the test kit.
- Complete all required information in the “More About You” section (e.g., passport#, home address).

UK PLF Day 2 COVID Test Registration

- A confirmation page will appear with your Eurofins “**booking reference #**”. This completes your registration with Eurofins for the Day 2 test.
- The Eurofins “**booking reference #**” is entered as the **UK PLF “test package booking reference #”** in section 2 of the UK PLF (see highlighted orange box on page 1 screenshot of the UK PLF). Make a note of your number, you will be required to enter it when completing your UK PLF.
- Please discard all notifications on drive through, addresses and timeslots.

Day 2 Double Vaccinated
booking reference is
EUTEST3435002

Your order ID is
B34-3700-0000

An email confirmation of your order has been sent to joey@diaz.com.

Thank you for booking your COVID-19 Drive Through test.

We will not send you a testing kit; you will be handed a kit by one of the Eurofins team at the drive through station.

This test is a mandatory requirement for travellers entering the UK; if you do not come for your test we will report this nonattendance to NHS track and trace who will take the appropriate action which may include a financial penalty.

Please ensure that you bring your Order Number when you arrive at the Drive Through.

A map for our Livingston Site can be found here - [Google Maps - Livingston Site](#)

A map for our Warrington Site can be found here - [Google Maps - Warrington Site](#)

Please, read our Drive Through guidance for visitors

In order to facilitate the safety of our team and the smooth running of our drive through facilities we ask that you follow the below basic rules:

1. Remain in your vehicle, no welfare facilities are available on site
2. Ensure you have a suitable connected mobile device to enable you to pair the test sample to your order in the ReCova ordering portal.
3. Follow the instructions contained in the kit when handed to you by our team
4. Be aware that during busy periods you may have to queue to use the facility
5. Please bring tissues and hand sanitiser with you.
6. Please wear a face covering at all times when on the drive through site.
7. Please do not eat or drink (other than water) for 30 mins before attending the site.
8. Please do not eat or smoke whilst attending the site.

Don't enter if you have:

- Fever (high temperature – 38 degrees Celsius or above)
- Cough
- Shortness of breath
- Loss or change to sense of smell or taste

Thank you!
